

Construction Manager of the Year Awards

WHO WILL IT BE?

If you thought the standard of finalists for CMYA 2014 was exceptional, just look across the page at this year's talented people. Over the last four months the judges have assessed all of the submissions and nominations, have conducted interviews and made site visits throughout the country. Not everyone has achieved finalist status but those who have represent the very best in the industry. From Residential to Major Projects over £60 Million, the range of work achieved and expertly delivered is wide.

A Gold and Silver medal is awarded in each category and are announced at the Construction Manager of the Year Awards dinner on October 8th at the Marriott Grosvenor House Hotel on Park Lane in London. Who from the ten Gold Medal Winners will be the 2015 Construction Manager of the Year?

To find out, reserve your places now. Demand for the premier CIOB event is always high and space is limited.
