South East Student Challenge

Wednesday 3 March 2010
Novotel, Southampton 1.15pm

Are you a winner?

After chasing the title for a couple of years, Mid Kent College were delighted to win last year’s closely fought SE Student Challenge competition. Do you have a team to win the 2010 competition?

We are inviting you to put forward a team of 4 students to enter into our forthcoming competition on Wednesday 3rd March 2010 at the Novotel in Southampton.

What is it for?

The Chartered Institute of Building (CIOB) recognises the importance of education, training and development within construction, as well as encouraging young people into the industry. The Student Challenge Competition is designed to allow teams of students from colleges and universities across the country to showcase their construction skills and knowledge to the wider construction industry.

The South East Student Challenge Competition is the stepping stone for teams from the South East to compete at the National Student Challenge finals at CIOB headquarters, Ascot. It is an opportunity for a team of 4 from a college or University to display their construction knowledge in front of potential employers, CIOB members and other dignitaries. It provides students with a unique chance to represent their college or university in a challenging and fun way against other academic institutions in the region.

What are the benefits to you and your College or University?

- Provides you with the opportunity to display your skills in front of potential employers
- Gives you a chance to meet with industry professionals and CIOB members
- Allows you to meet and compete with other academic institutions across the region and potentially nationwide
- Raises the profile of your institution within your region and potentially nationwide

What are you waiting for? If you have a team to enter, contact Sally Albin at salbin@ciob.org.uk or +44(0)845 026 0903.

For sponsorship and enquiries about the day, contact:
Paula Hazell
