CIOB Sponsorship

CIOB events and activities have been created to inspire and support professionals with their career development within the construction and the built environment industry.

Aligned with the key themes of our corporate plan, these initiatives offer a diverse array of opportunities, including specialist conferences, customized CPD learning programs, and celebrations of success, including recognizing those who achieve chartership and honouring the accomplishments of our members.

Why sponsor?

Sponsoring one of the CIOB's activities demonstrates your alignment with our core values of modern professionalism. It offers opportunities to enhance your marketing efforts by elevating your brand, positioning your organisation as a trusted expert in your field, and connecting directly with our engaged community of members, and in summary:

- We are a well-respected leading voice for the construction industry
- It may enable direct engagement with our large member base
- It will visibility link your brand with a CIOB event or campaign
- It gives our sponsors a platform to showcase their own expertise and messaging
- [CIOB Company Members](#) receive a 10% discount on all sponsorship packages

The Chartered
Institute of Building

About CIOB

We are the Chartered Institute of Building (CIOB), and we stand for the science, ethics and practice of built environments worldwide. Everything we do is to improve the quality of life for those using and creating the built environment.

We are committed to creating a world where all construction professionals are safe, trusted, and respected at work. We want construction professionals to have the tools and expertise to achieve their goals.

We are the world's largest and most influential professional body for construction management and leadership. With over 46,000 individual members and over 1000 corporate members (either Company Members or Training Partners) we work with all shapes and sizes of companies and consultancies and with individual members in 126 countries. We represent the most diverse set of professionals in the construction industry.

We are widely considered to be the internationally trusted voice of the building professional, representing an unequalled body of knowledge concerning the management of the whole building process. <https://www.ciob.org/>

Social Value Impact

Working with a specialist agency we mapped our social value baseline in 2022 which has revealed that CIOB makes waves that reach out far beyond membership. For every £1 invested in the CIOB £4.06 of social value is created.

This study has considered the work we do to inspire, educate and influence change in the industry. Whether that is the expert knowledge we release through magazines, research, courses and events or through the platforms that showcase excellence. Plus the support we give members and past members through our CIOB Assist , mentoring and even through our global networks. [CIOB Social Value Impact](#)

For more information, please visit <https://www.ciob.org/sponsorships> or email sponsorship@ciob.org.uk

The CIOB logo is displayed in a large, bold, white sans-serif font. It is positioned in the upper right section of the page, overlaid on a dark blue background that features a complex, illuminated steel structure, likely a bridge or industrial framework, with various beams and supports visible.

As a registered charity, CIOB are dependent on the support of sponsors to enable us to host CIOB events and ensure our members continue to benefit from our commitment to promoting the science and practice of building for the benefit of society, and we thank you for your support
