

Building Conservation Certification Scheme

List of CERTIFIED individuals

The following have been assessed by the CIOB as PRACTITIONERS in Building Conservation. Note that a PRACTITIONER is an individual whose primary role is undertaking work on a first-hand practical basis.

	Name	Employer / Status	Contact details	Discipline	Operating Areas
1	John Edwards	Director Edwards Hart Consultants	john@edwardshart.co.uk Tel: 07796440934 www.edwardshart.co.uk	Building Surveyor	UK & Ireland
2	Trevor Francis	Consultant		Building Surveyor	
3	Paul Wankiewicz	National Trust		Building Surveyor	
4	Stewart Wright	English Heritage		Head of Survey and Asset Management	

The following have been assessed by the CIOB as WORKING IN MANAGEMENT in Building Conservation. Note that an individual who is in management will be responsible for the management of others who are practitioners and / or is responsible for guiding, setting standards and work processes for practitioners to work to within his or her organisation.

	Name	Employer / Status	Contact details	Discipline	Operating Areas
1	Rory Cullen	Cullen Conservation		Building Surveyor	

The following have been assessed by the CIOB as ACADEMICS working in Building Conservation. Note that an individual who is an academic is not a practitioner, working in management or in a regulatory role.

	Name	Employer / Status	Contact details	Discipline	Operating Areas
1	Mosses Jenkins	Historic Env Scotland		Academic	Scotland

Those listed below are CERTIFIED by the CIOB as acknowledgement of their competence in Building Conservation within their DISCIPLINE. This is the HIGHEST level within the scheme.
